Eligibility deadline violations, and rule violations may be appealed to the Fair Board. An appeal form must be filled out and be submitted with \$100 (cash or money order only). The money will be returned only if the decision is ruled in favor of the person (s) filing the appeal. Appeals can be to deadline violations, judges' decisions, rule violations, or a complaint against an individual; however, they must be filed within 24 hours of completion of the specie judging or show, otherwise the original decision/ruling automatically stands. If the appeal has been properly filed, the County Fair Board will schedule a hearing with affected individuals. The appeal form will be similar to the Minnesota State Fair 4-H Appeal or Complaint Form. *Note: With some appeals, such as livestock appeals, testing (drug, urine, blood, etc.) may be necessary. In such cases, the cost of testing will be initially born by the person (s) signing the appeal. This money will be refunded if the decision is ruled in favor of the person (s) filing the appeal.*

# Jackson County Fair Board General Entry Rules

The Jackson County Ag Society supports and adopts the Rules, Regulations, Eligibility Guidelines, Requirements and Consequences as outlined in the 2023 Jackson County Fair 4-H Premium Book as a part of the Jackson County Fair Board General Entry Rules.

Livestock exhibits ( 4-H, FFA and Open Class) and 4-H and FFA Non Livestock Exhibits must be in place in their assigned cage, stall, pen or display by 8:00 p.m. on Monday, July 24 and remain in place until 7:00 a.m. on Sunday, July 30 , 2023. Open Class Non Livestock exhibits must be entered prior to Noon Monday, July 24 and remain in place until 7:00 a.m. Sunday, July 30, 2023. **ANY exhibits leaving prior to 7:00 a.m. Sunday, July 30, 2023 will forfeit all premium awards, as well as any additional consequences as outlined in the 2023 Jackson County 4-H Premium Book.**

The Jackson County Fair Board reserves the absolute right to reject entirely or accept conditionally any entry or application for entry or to withdraw classification and prizes in any department upon the closing of entries whenever it, in its sole judgment, determines that such action would be in the best interest of the Jackson County Fair.

Judges have the right to reject any entry. Judges must not award prizes to unworthy exhibits. It is their intention that no premiums of any kind be given to any animal/article that is not deserving. This rule shall be strictly adhered to whether or not there is competition.

The following are rules which govern most entry requirements, but where there are special rules in the various departments those special rules shall apply. In case there should be any that are not clearly defined or seem to conflict, it shall be the right of the management to determine which rules shall be enforced.

FFA may enter Open Class divisions providing such exhibit is not already entered in their department.

Non-Livestock Open Class entry fee shall be 50¢ per entry with no maximum charge. Pre-registration is highly encouraged.

Exhibitor limited to one entry per lot except where otherwise noted (see livestock exceptions).

No entry shall compete for more than one premium. Entries in individual lots cannot be used again as part of a collection or group (see livestock exception) This rule shall not disbar sweepstakes or special premium competition for which no entry is required.

The superintendent shall assist the judge and keep a record of all awards made. When completed, the judge shall sign the record and return to the secretary. Only the awards recorded will be paid.

The awards on entries shall be designated by ribbons or cards as follows: first prize: blue, second prize: red, third prize: white. In departments where an exhibitor may have more than one entry per lot, there shall be a limit to the number of premiums that may be awarded.

Judges may not award prizes not listed in this premium list. Whenever entries of superior merit are exhibited for which no award has been offered, the judge may record this as “commended” in the judges book so that the management may consider the matter.

Judges shall report to the superintendent any exhibitor who in any way interferes with them or shows any disrespect to them during the judging. The superintendent may, at his or her discretion, exclude such exhibitor from competition. The Jackson County Fair Board may withhold any or all premiums that have been awarded such exhibitor and expel from further exhibiting at the fair.

The decision of the judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award, is apparent. In such cases, the Secretary may make the decision or, with his or her approval, the matter may be referred to the Jackson County Fair Board from which its decision there can be no appeal.

The right of an exhibitor to appeal from the decision of a judge to the Jackson County Fair Board will apply only when it is charged that the award has been made in violation of the rules governing the exhibit or when it is charged that the decision has been influenced or interfered with by another.

If receipts should prove insufficient to meet all demands, the Jackson County Fair Board reserves the right to first pay all bona fide expenses of the fair and pay premiums with the balance.

All questions in dispute of differences not covered by these rules shall be referred to the Jackson County Fair Board whose decision shall be final.

Exhibits must be entered in the name of the bonafide owner. Entry must have been raised or made by the exhibitor during the **PAST 12** months. No person shall enter an article that has heretofore been exhibited and a premium paid unless special rules apply.

Every article in competition must correspond in number and description with the premium list and be in its proper class in order to obtain premiums. Each entry tag shall be securely attached to the entry itself, pen, stall or receptacle in which shown. Exhibitors making entries and not exhibiting shall forfeit all fees paid.

The fair management will use diligence to ensure the safety of livestock or articles entered for exhibition after their arrival and placement, but under no circumstances will it be responsible for any loss, injury, disease, sickness or damage done to, occasioned by or arising from any animal or article on exhibition, and the exhibitor shall indemnify the fair and management thereof against all legal or other proceedings in regard thereto.

#### **Special barn rules enforced by superintendent (s).**

Exhibitors must keep their portion of the barn neat and clean. All litter must be deposited in a place designated by the superintendent (s). Exhibitors are required to arrange to park trailers outside the fairgrounds, with the exception of 4-H Horse Exhibitors that have received authorization from the 4-H Horse Superintendent and UBRA Barrel Race participants are allowed to have their trailers remain on the grounds past 9:00 p.m. Tuesday, July 25.

Exhibitors must keep their pens/ cages/stalls and tack areas clean at all times. **Aisles must be kept free of shavings, bedding and manure at all times.** All bedding and shavings must be placed in designated dumpsters. All pens / cages/ stalls and tack areas must be cleaned before leaving the Fairgrounds at the end of the exhibition prior to **9:00 p.m. Sunday, July 30, 2023** with the exception of livestock stalled in the Beef Barn (tack areas must be clean) or animals held over for the 4-H Livestock Judging Contest on Monday, August 1, 2023.

No fans are permitted in the aisles. All electrical cords must be off the ground and hung away from main aisles.

## **Animal Testing and Examination**

**The fair veterinarian shall have full authority in all matters of livestock sanitation as the representative of the Board. All questions regarding these rules should be directed to: Dr. Carr, River Valley Veterinary Clinic, Jackson, MN 56143; (507) 847-4228.**

Exhibitors must obey the rules and regulations governing public exhibition of livestock and poultry in Minnesota as adopted by the Minnesota Livestock Sanitary Board. The exhibition management may adopt more but not less restrictive health requirements than required by state rule.

Livestock and poultry that exhibit symptoms of any infectious or communicable disease, including ringworm and warts, may not be exhibited. All animals must be examined by the Official Veterinarian on the day they are admitted to the exhibition and at least once daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a showring. This includes livestock with warts and ringworm. Therefore, livestock affected by these diseases cannot be exhibited.

#### **Horses:**

All horses must be negative to an official test for Equine Infectious Anemia (EIA or Coggins) before unloading at the Fairgrounds. A test is not required for suckling foals accompanying a negative dam.

#### **Poultry:**

All chickens, turkeys, and gamebirds at exhibitions, except baby poultry, must be individually identified with a leg or wing band with a number on the band. The band may also include other letters such as names/initials. Hatching eggs and young poultry that are too small to band, can be exhibited as a group if the Hatchery Permit number or National Poultry Improvement Plan (NPIP) number is written on the cage, box or enclosure. At exhibitions, all chickens, turkeys, game birds, and hatching eggs from these birds must be accompanied by a certificate or test chart approved by the board to show compliance with the following requirement:

- Pullorum-typhoid – originate from a hatchery or breeding flock that is classified *U.S. Pullorum-Typhoid Clean under the National Poultry Improvement Plan (NPIP)*; or be negative to a pullorum-typhoid test within 90 days prior to the opening date of exhibition.
